### About the College

The SDM College, managed by the Malnad Progressive Education Society was started in 1964 to cater to the needs of the students of Honavar taluk. Initially the college was started with Arts stream and later on Science and Commerce streams were introduced. Today the college offers degree like BA, BSc., B.Com, BBA, BCA and Post Graduation in Commerce and General Chemistry. The college, which is affiliated to Karnatak University Dharwad, is situated at the outskirts of Honavar town. It has a vast campus of 50 acres of land, well developed Playground, Indoor Stadium, Language Laboratory and Under Graduate Research Centre. The college has a strength of 1268 students and 99 teaching and administrative staff members. The college has been accredited by NAAC with 'A' level consecutively in the 1st, 2nd and 3rd cycle, which has made it unique in the entire Uttara Kannada district. The college management is headed by the successful medical practitioner, Social Worker and Ex-MLA Dr. M.P. Karki.

### About the Seminar

The main theme of the seminar is Quality Improvement in post accreditation scenario. NAAC accreditation is a continuous and ongoing process for the higher educational institutions. As quality sustenance is an endless endeavor, higher education institutions cannot take relief after any cycle or round of accreditation. Instead, it has to strive for higher grade in the subsequent accreditation though the enhancement of its quality while complying with the recommendations of the peer team. The competitive world today demands quality education, which involves cordial academic environment, relevant teaching and learning process, well furnished class rooms, adequate support services, infrastructure facilities, well designed curricular and co-curricular activities and dedicated staff. The Quality of the institution, social image and its relevance are some of the important criteria by which the higher educational institutions are measured. The quality of the education, growth and development of the institution depend on the active involvement and support of its stakeholders like government, management, teachers, students, alumni, parents and so on. With This background, the

two day national seminar is organised to deliberate on the role of stake holders in maintaining the quality of higher educational institutions with due stress on the following sub-themes.

- 1) Role of IQAC in quality improvement
- 2) Role of management in quality improvement
- 3) Role of teachers in quality improvement
- 4) Role of students in quality improvement

Papers on the above themes are invited for presentation in the seminar from the teachers, management members, parents, alumni & students. The papers should be e-mailed to iqacsdmc@gmail.com on or before 30th January 2019 and the maximum length of the papers is 3000 words.

The Registration fee is Rs. 200/- for each delegate and the same may be paid through DD drawn in favour of principal, SDM College, Honavar. Registration fee is inclusive of breakfast, lunch and seminar Kit. Delegates have to make their own arrangement for accommodation.

### About Honnavar

Honnavar, the Taluka headquarters, is a port town of great antiquity. About two hundred years ago, it was the headquarters of the entire coastal district. It was also the chief pepper exporting port of the Gersoppa kingdom. The Vijaynagar kings used to import horses from the western countries through this port. Today Honnavar harbour is primarily a fisheries harbour and is a fine spot of tourist importance. On the top of a small hill in Honnavar stands a 30 meter tall column which was erected in 1845 in memory of Colonel Clement Hill. This historical monument is called the Colonel Hill. The colourful view of the sunset from the harbour or the Colonel Hill is really enchanting. Another place of historical importance is Gersoppa which is about 30 kms. from Honnavar. It is famous for Chaturmukh Basadi.

Shree Idagunji Mahaganapati Temple, which is about 20 kms. from Honnavar, is a very popular religious centre. Everyday the Temple is visited by thousands of people from far and wide.

There are some ecotourist spots like Apsarkonda, Kasarkod beaches which have enhanced the beauty of Honavar.
